

Osprey Elite

Studio version

The *Elite* is the most versatile of the Osprey range designed to support the latest range of digital, portable and full facility cameras for both studio and OB productions.

The two-stage column offers 'on-shot' movement from a minimum height of 26" / 66 cm to a high of 56" / 143 cm with full crab and steer facilities controlled from a central steering ring.

The *Elite* has an exceptional combination of lightness and structural integrity giving maximum stability while still allowing the column and dolly base to fold for easy transportation. Optional accessories include a portable hand pump to counterbalance the pneumatic system.

Optional Accessories

- 3357-3 Portable Pump
- 3329-30 OB Wheel Set for Ospreys (set of 3)
- 3329-21 Osprey Tiller
- 3429-21 Large Steering Ring 24.8" / 63.5 cm
